UPCOMING EVENTS

Azure

Connecting through art: Looking at art can be a transformative experience. Art can move us, and prompt us to think or ask questions. IMMA's Azure tours give people living with dementia and those close to them; a family member, friends or professional carer, the opportunity to view and experience artworks together. During Azure, you will explore a selection of artwork from IMMA's Collection with an understanding and supportive facilitator who has received special training in dementia-inclusive arts programming.

The first Azure online session in July will cover 2 works by artist Stephen McKenna and our session in August will cover two works by Nick Mille. The dates for the online tours are:

- **Friday August 22nd 11-12pm**
