2025 Activities Newsletter

As the long summer days begin to fade and we welcome the new season ahead, we're delighted to bring you our Summer Activities Newsletter. Over the past few months, the Alzheimer Society of Ireland community has enjoyed a season full of sunshine, connection, and joy.

In this issue, we look back on the highlights that made summer so special. From outdoor gatherings and seasonal celebrations to creative activities and heartwarming moments, our community truly came alive with energy and warmth.

We're excited to share some of these memorable stories and wonderful photos that capture the spirit of summer. These moments remind us of the power of coming together and the joy found in every shared experience. Thank you for being such an important part of this journey. Your support and involvement continue to help us grow stronger, season after season.

Here's to carrying the brightness of summer into the months ahead!

Multyfarnam really got into the summer spirit this year!

This summer Multyfarnam had a packed calendar! They got their hands dirty by doing some planting. Followed by much celebrating from Pride to an important wedding anniversary.

And the fun didn't stop there; of course, they had to get in on the All-Ireland finals buzz by hosting a vote on who would win.

Looks like they were right. Congratulations! (Though some seemed to be a bit on the fence.) 😊

Congratulations!

Getting Arty in Limerick

Our Limerick day centres have been working on their arts skills over the summer with Helen Sageo from GetArty. Working with clay, flowers and watercolours, our service users have been creating beautiful artworks as individual as they are.

Basking In The Sun

In Balbriggan, they made sure to get out and about while the sun was shining. There were many days this summer that were just perfect for getting bits done in the garden.

Donegal Pride

Leading up to the All-Ireland finals, our Donegal centres were getting ready to support their lads. With lucky shamrocks and handmade flags, they were full of home town pride!

Four Legged Visitors

Over the summer, we also had a few four-legged friends visiting our centres to say hello.

A Day At The Farm

Our friends in Cavan had a thrilling day exploring the fields of Negrange Farm. It's always great to get out into the country air.

Out and About

Our Mallow DC attendees took the road over the summer, spending a glorious day in Donarail Park. Here they got a tour and were told the history of the house as well as a chance to take in the fresh air in the stunning park grounds. Here's to those summer days!

Tis, a Fair Wind Captain!

The West Dublin Activity Club (Talking Heads).

This was a boat trip that we took with Dublin Boat Tours.

The members of the club had a great time and Glyn and all the staff at Dublin Boat Tours really looked after us.

New Beginnings

In our day centre in Aghamore, we launched our brand new sensory garden, and boy did the sun come out for us. It was a fabulous day that we enjoyed with supporters, friends, family and colleagues. Congratulations to everyone who made the day possible.

Adventures Of Besboro

The gang at Besboro had a fantastic time this summer. Planting gardens, weeding, and adventuring around Cork, all while taking on the sun!

thank you

A beloved member of the Adare DC team said goodbye to her 16 years of service at the ASI this summer. Marian was a fantastic asset to the team, so kind and great to work with. Her presence will be missed and we wish her a happy and relaxed retirement.

Reach for the Sky!

This summer, Terry O'Brien took to the skies with a parachute jump in support of the ASI Lucan Social Club, raising an incredible €3,000.

Terry's connection to our community is a special one, his late uncle attended the Lucan Social Club and benefited from ASI's home care service, while his wife Rose continues to volunteer every Wednesday, calling bingo and crafting beautiful knitted dolls. We're so grateful for Terry's inspiring achievement and the generosity of everyone who supported him.
